

FULL HD
1080P
MANUAL FOCUS

GWC-004
OWL
USB WEBCAM

Instructions for use:

1. Attach the camera where you prefer to your desktop or monitor, making sure it is stable.
2. Insert the cable into the USB port and wait for the automatic installation. To check if it is installed follow: Under Control Panel > System and Security > System > Device Manager.
3. If you encounter any issues when trying to connect to different applications (Facebook, Skype), check the application settings - Settings/Audio-Video.

Upute za uporabu:

1. Pričvrstite kameru na preferirano mjesto na Vašem desktop računalu ili monitoru. Uvjereni da je stabilna.
2. Spojite kabel na slobodno USB sučelje Vašeg računala i pričekajte da se instaliraju upravljački programi. Kako biste osigurali da je kamera instalirana, provjerite nalazi li se na popisu hardware-a pod: Control Panel > System and Security > System > Device Manager.
3. Ako se suočite s problemima u nekim aplikacijama poput (npr. Facebook, Skype...), provjerite opcije unutar aplikacije koju koristite (Settings/Audio-Video).
